WHAT'S THE DIFFERENCE BETWEEN INTEREST PAID QUARTERLY AND

DAY-IN
DAY-OUT
INTEREST?

P L E N T Y!

Let's say you have your savings in a passbook account and fifteen days before the end of a calendar quarter you want to make a withdrawal.

If interest on the account is paid on a quarterly basis you lose the interest on the money you withdraw. But if interest on the account is paid on a day in day out basis, you are paid interest for every day the money is there, from the day you put it in till the day to take it out so long as $10.00 remains in the account till the end of the quarter.

That's the difference and it means plenty!

Viewsaver... The little air conditioner with the great big cool..

ONLY $189.95

Here's a 6,000 BTU air conditioner that is automatic, designed to be set once and forgotten for the whole summer. Automatic for continuous comfort. And quiet to let you sleep. It's very compact. Doesn't hang out the window and doesn't put into your room. You can easily open and close the window with it in place. And with its "Low profile," just 10 inches high, you can see the view.

JONNE T. LANGBERG

YOUR DEMOCRATIC CANDIDATE
COUNTY COMMISSION DISTRICT 1

STATES HER PLATFORM

My decision to run for County Commissioner in District 1 was based on my desire to be involved in helping our County meet the mounting demands of exhilarated growth. Many old problems still exist and new ones are rapidly developing. One of our primary interest is to have balanced growth within the county in order that people in all walks of life are taken into consideration. I am concerned about roads, sewerage, lighting and drainage. I feel we must preserve the natural beauty and wildlife of our rivers and estuaries. I feel qualified to fill this seat as I have a working knowledge and awareness of the entire county.

JONNE LANGBERG HAS OVER 20 YEARS EXPERIENCE IN BUSINESS IN MARTIN COUNTY

JONNE LANGBERG BORN AND RAISED IN MARTIN COUNTY

COMMISSION CANDIDATES ANSWER
AFFECTING MARTIN COUNTY'S FUTURE

THE COMING COUNTY COMMISSION ELECTIONS ARE OF SINGULAR IMPORTANCE THIS YEAR INASMUCH AS THERE WILL BE THREE NEW COMMISSIONERS ELECTED, A NEW MAJORITY FOR THE MANAGEMENT OF OUR GROWING AREA.

TWO CANDIDATES FAILED TO RETURN THE QUESTIONNAIRE ALTHOUGH REPEATED EFFORTS WERE MADE TO GET THEM. AT UNTIL PRESS TIME COMMISSIONER TIMBERLAKE'S OPPONENT IN DISTRICT 1 HAD NOT RESPONDED. BUT WE FORGIVE HIS ANSWERS ANY MATTER OF RECORD SO ACTION WAS TAKEN AT CAMPAIGN'S END FAILURE JUST SINCE HE IS NOT UP FOR ELECTION IN '82.

SINCE THE ANSWERS SPEAK FOR THEMSELVES, UNEDITED, EXCEPT AS ARE PRESENTED WITHOUT COMMENT. THEY ARE THE CANDIDATE'S OWN ANSWERS.

YARBOROUGH

YOUR FLORIDA PUBLIC SERVICE COMMISSIONER

During the last four years, in spite of runaway inflation, your Florida Public Service Commissioners have kept the average household rate for electricity among the nation's low rates. These rates have represented responsible, conservative rulings and judgments for four years. To continue protecting your pocketbook, we need your vote and support.

THE ONLY CANDIDATE WITH
EXPERIENCE AND TRAINING

HOLT'S "PLATFORM FOR PROGRESS"

DRUG ABUSE

1. I will have representatives of the Sheriff's Office as permanent members of drug abuse committees.
   (a) I have had extensive training in this field through the Federal Bureau of Narcotics, Washington, D.C.
2. I will support and augment the establishment of "TIP" Turn-in The Pusher and Crisis Line with assurances that these telephones will NOT have recording devices attached.
3. As Sheriff I will form a County-Wide Narcotic Squad with representatives from the City, School Board, Clergy and Sheriff's Office.
   (a) This has been very successful in nearby counties. Indian River and Broward counties are good examples.
4. My office will supply information on drugs, rehabilitation and identification of drugs for parents.
   (a) I want my department to take an active roll in drug abuse education.

BUDGET

1. The Grand Jury report stated the need for an overall administration survey in the Sheriff's Office. (A) I will request the County Commission to implement this study to get more for your tax dollars. (b) Over the past years, budget haggling has taken place with enormous increases in the Sheriff's Budget and little to show for these increases.

EFFICIENT, IMMEDIATE AND COMPLETE INVESTIGATIONS:

1. Victims of violent crimes may be compensated up to $50,000 under new pending law.
   (a) My office will have proper investigation to meet the approval for this pending reimbursement.

THE PROVEN LAW ENFORCEMENT ADMINISTRATOR AND THE PROVEN LAW ENFORCEMENT OFFICER:

★ 8½ Years Martin County Deputy Sheriff:
Holt knows the problems of Martin County and can solve them best.
★ 5 Years as Chief Deputy of Martin County: Holt is a Proven Administrator.
★ State-Wide Special Investigator: Holt has training.
★ 2 Years in the U. S. Marshall's office:
Holt was approved by President Nixon.

THE MARTIN COUNTY CONSERVATION ALLIANCE
URGES YOU TO VOTE NOVEMBER 7
FOR THESE CONSERVATION-MINDED CANDIDATES

The Martin County Conservation Alliance has investigated the environmental and conservation records, attitudes, votes and statements of candidates for important offices in the November 7 election. From this detailed study we recommend and urge your vote for those who will do the best job for you, and for all of us, in protecting and enhancing our vital natural resources. The recommendations cross party lines, but we seek the most able and dedicated candidates — not political parties.

There is nothing more important to us in Florida, and particularly to our area of overpowering growth in building, population, traffic and confusion, than a genuine concern for the immutable laws of enlightened Conservation, plus the knowledge, courage and dedication to act in the interest of saving our rich natural heritage.

We urge you to vote November 7, and to vote for these proven candidates.

THERE ARE ISSUES!!

Your Vote November 7 Will Determine Your Future As Well As The Future Of Martin County

If You Are Concerned
With Runaway Taxes.
Shoddy Development.
Questionable Zoning Deals.
Read How Ed Gluckler
Stands On Them!

THE ISSUES

- The dollar total of your real estate bill
- The integrity of the zoning code that protects your home
- The height of buildings - the high rise question
- The cost of development and who pays for it
- Protection of the environment - both upland and river bottoms
- Record in service - devotion to duty

ELECT ED GLUCKLER

REPUBLICAN

DEAN TOOKER Deeply appreciates your support and confidence in both primaries.

Your support on November 7th will assure you of an experienced and able representative on your County Commission

DEMOCRAT

When DEAN TOOKER became your County Attorney in 1959, Martin County was faced with many problems, as it does today. I resigned by position in 1970

How can you bring out the best in yourself?

December 1, 1972

Practical ethics that do not compromise true morality or compassion and mercy are a possibility today, according to Charles W. Ferris, C.S.B., Christian Science lecturer, of Minneapolis. He will present a lecture titled "Ethics for Today" at the First United Methodist Church, 1500 Colorado Ave., in Stuart on Friday, December 1, 1972 at 8 P.M.

There is no admission charge.
Everyone is welcome to attend.

The lecture is sponsored by the First Church of Christ, Scientist

Santa Clausing made easy:

Join The Club

It's the only way to make Christmas merry and easy.

All at the same time. And have a prepaid holiday to boot.

The merry Christmas Club lets you take care of the hard part, the unpleasant *paying* part, the easy way. A little bit at a time, in advance. So when Christmas comes, you have all you need to do the fun part, the choosing and the giving and the watching as faces light up.

Put small change away in the Christmas Club now, and when next November rolls around you'll have what it takes to make the merriest Christmas ever.

For the receivers.
And the giver.

CHRISTMAS IS COMING!
HOW READY ARE YOU?

If you've been saving regularly to offset Christmas expenses you should be in good financial shape. If not, expect the December and January shorts. But don't let it happen again.

Start a special purpose savings account now to make next Christmas financially carefree AND EARN 5% INTEREST* while you save. Sure, we offer weekly Christmas Club accounts if you prefer. But your own special Christmas savings program, tailored to your payday with interest credited quarterly can be best for you.

And have you thought of giving someone a savings account for Christmas? An account in trust for that favorite child or grandchild can start a savings habit. Do it today and avoid the Christmas shopping rush.

CHRISTMAS IS COMING!
HOW READY ARE YOU?

If you've been saving regularly to offset Christmas expenses, you should be in good financial shape. If not, expect the December and January shorts. But don't let it happen again.

Start a special purpose savings account now to make next Christmas financially carefree AND EARN 5% INTEREST while you save. Sure, we offer weekly Christmas club accounts if you prefer. But your own special Christmas savings program, tailored to your payday with interest credited quarterly, can be best for you.

And have you thought of giving someone a savings account for Christmas? An account in trust for that favorite child or grandchild can start a savings habit. Do it today and avoid the Christmas shopping rush.

FIRST NATIONAL

CHRISTMAS

Carol joyfully . . . for Christmas is here! At this happiest of seasons, we treasure the special joys of life . . . the glowing smiles on children's faces, the fun of secrets and surprises, the welcome sounds of merry voices, the warmth of home and family, the wonders of giving and receiving. Because friendship and fellowship are among the greatest of these treasures, we are especially happy to greet our many good friends and customers, whose loyalty and good will have made "everyday business" a real pleasure. To one and all, we wish all the best and all the blessings of this beautiful, bountiful time. A Merry, Merry Christmas!

Merry Christmas

Christmas is in the air everywhere. Family and friends with to-morrow trees are being trimmed, carols are sung, gifts exchanged, bells ring out a merry tune and hearts are filled with prayerful happiness. JALOUSIE DOOR PROTECTION
NEW DESIGN
Thieves have gained entry into homes and offices thru jalousie doors and windows for years. Crime is on the increase! It is up to each home owner to do all he can to deter these thieves. Lemson Industries designed and manufactured a jalousie door guard two years ago. We have now installed over 20,000. This door guard is made of heavy 16 gauge carbonized steel and is fitted into a heavy aluminum frame. The steel is painted white and fits into any room door. The door guard is installed on the inside of the door and comes with new screws. You can save money by installing your own door guard.
